

queue.h

```
graph TD; A[queue.h] --> B[project.h]
```

A diagram showing a dependency relationship between two header files. At the top is a gray rectangular box with a black border containing the text 'queue.h'. A thick blue arrow points vertically downwards from the bottom center of this box to the top center of a white rectangular box with a gray border below it. The white box contains the text 'project.h'.
